

KENYA MARINE AND FISHERIES RESEARCH INSTITUTE

REQUEST FOR EXPRESSION OF INTEREST - - EOI

FOR DESIGN OF INSTITUTE LOGO

Kenya Marine and Fisheries Research Institute (KMFRI) is a State Corporation established in 1979 by the Science and Technology Act Cap 250 of the laws of Kenya, which has since been repealed by the science, Technology and Innovation Act No. 28 of 2013 which has recognized KMFRI as a national research institution under section 56, fourth schedule. KMFRI's mandate is to undertake research in "marine and freshwater fisheries, aquaculture, environmental and ecological studies, and marine research including chemical and physical oceanography", in order to provide scientific data and information for sustainable exploitation, management and conservation of Kenyan's fisheries and other aquatic resources, and contribute to the national strategies of food security, poverty alleviation, clean environment and creation of employment as provided for under Vision 2030.

KMFRI is in the process of enhancing her corporate image and therefore wish to request for Expression of Interest (EOI) from interested organizations or individuals who are experienced/qualified in the design of Institutional Logos. This EOI is intended to shortlist applicants who will further participate in the request for proposals (RFP) to culminate in the selection of the best performing proposal.

Applicants are requested to submit their applications enclosing prove of qualifications, experience and past successful similar assignments complete with contacts of reference persons in plain sealed envelopes clearly marked "Expression of Interest for Design of Institute Logo" to:-
